| 10    | 784270      |                  | Shift Rod & Fork                                                                                                                                                                                                                                                                          |
| 11    | 778137A     |                  | Bevel Gear (42 teeth)                                                                                                                                                                                                                                                                     |
| 11A   | 778109A     |                  | Gear Kit (Incl. 778137A & 778136) NOTE: The above bevel gear is now a two-piece assembly. When this two-piece assembly is used, the countershaft may also need replacing. Order a new 776134 countershaft (Ref. No. 4) which has five (5) splined areas to accommodate the gear assembly. |
